

Rectificatie call for proposals Accelerator 2019

Op 26 juni 2019 is in de Staatscourant, nr. 35043, de call for proposals Accelerator 2019, gepubliceerd.

Deze publicatie bevat twee tekstuele fouten:

- a. In paragraaf 3 ('Guidelines for applicants') is onder het kopje 'Who can apply' abusievelijk de tekst opgenomen dat het gaat om "Full, associate and assistant professors...". De juiste tekst van deze passage is als volgt:
Applications are submitted by the main applicant on behalf of the project consortium. Researchers can submit an application if they:
 - *are employed (i.e. hold a salaried position) at one of the following organisations:*
 - o *Universities established in the Kingdom of the Netherlands;*
 - o *NWO and KNAW institutes;*
 - o *Universities of applied sciences situated in the Kingdom of the Netherlands;*
 - o *TO2 institutes.*
 - *also have an appointment period for at least the duration of the application procedure and the entire duration of the research for which the grant is being applied for. Personnel with a zero-hour appointment are excluded from applying.*
- b. In paragraaf 3.5 ('Conditions on granting') is onder het kopje 'Admissibility criteria' per abuis het woord PhD opgenomen bij het zesde criterium. De juiste tekst van dit criterium is als volgt:
"6). *the application was not submitted by an experienced researcher appointed at an institution as stated in Section 3.1;"*
